

## YOUR PRESENTER

**Marnie Hancock**, an alumnus of **THE REALITY DYNAMICS LIST** since 1986, gratefully credits the many miracles, joys, and empowerment in her life to The List Class.

After completing her first List 1986, Marnie studied privately with Jann and Joe Timmreck. Marnie received her List Training Certification in 1997. The List information was so important that Marnie completed writing the full List book in the year 2000. Previously, only a 30-page outline of the List technique was in print. The new List Manual incorporates The List Technique, Supplementary Techniques, The List Theory, and extensive List Testimonials.

In 2001, Marnie left her 15 year Public Education Teaching Career to teach, train, and consult about The List Class and the many empowering Timmreck seminars.

**“Marnie Hancock is a marvelous, compassionate and empathetic teacher and motivator. Her List Classes are an excellent investment in helping you to create a more abundant and optimistic future.”**
